Meet Your Host

Welcome to Restwell!

At Restwell, we believe accessibility shouldn't come at the expense of comfort. We've worked with the Continuity of Care Services team to create a retreat where you can simply be.

101 Russell Drive is your sanctuary. Whether you've brought your own team or are using Continuity's professional support, our goal is to ensure you feel completely at home. From the integrated specialist equipment to your adjustable sink, every detail is here to make your stay effortless.

It's time to holiday at your own pace. Take a breath, settle in, and Restwell.

Rest Easy, Stay Well.

About The House

Our Address: 101 Russell Drive, Whitstable, CT5 2RQ

The bungalow is a single-storey home on a quiet street in Whitstable, about ten minutes from the seafront. It's fully step-free throughout and has been adapted for accessibility, so you can settle in at your own pace.

Step-free
Throughout

Ceiling
Track Hoist

Free
WiFi

Accessible
Parking

We're delighted you have chosen to stay with us and we look forward to making your visit memorable. This little guide has been thoughtfully prepared to walk you through everything you need to know about your stay. It covers how the bungalow operates, the best coffee spots nearby, and who to contact if anything arises or if you require assistance. Our goal is to ensure that you are fully informed, comfortable, and able to relax during your time here. Whether you're visiting for a family retreat or simply a peaceful getaway, we sincerely hope your experience feels both personal and truly special, leaving you with wonderful memories to cherish long after your departure.

Built around accessibility.

The bungalow is fully wheelchair accessible, with a profiling bed, ceiling track hoist, level-access shower, shower chair, and grab rails exactly where you need them. The doorways are generously sized, measuring 965mm at the front and 926mm internally, so powered chairs and hoists can move through with ease. At the rear, French doors open onto a level-access patio, where a non-slip threshold ramp removes the raised lip for smooth, step-free access to the garden and BBQ area. We also keep a set of portable fold-up ramps for the front door (you can find more information about these, including how to take them out with you, on the Extra Services page).

Tell us what you need.

We can't promise every extra piece of equipment on short notice, but we'd rather hear from you early than have you worry. If there's a specific adaptation, an aid, or a setup that would make your stay better, email hello@restwellretreats.co.uk and we'll do what we can.

About Your Stay

This page explains what to expect when you arrive and depart, including timings and the check-in and check-out process, so the bookends of your stay are the easy bits.

Settling In

Check In from 3pm

Standard check-in time is from 3pm. Access to the property is via a key safe, for which the code will be provided before your arrival. The driveway offers level, step-free access to the front door and includes a parking space for adapted vehicles. If you need to arrive earlier or later due to accessibility needs, travel arrangements, or care coordination, please contact us in advance, and we'll do our best to accommodate.

Heading Home

Check Out by 11am

Please check out by 11am. If you need extra time for accessibility reasons (e.g. personal care, packing, or transport), let us know a few days in advance and we'll do our best to help. Before leaving, please make sure you have all belongings and that the windows are closed, the lights are off, and the appliances are turned off. There is a short departure checklist at the back of this guide to make the process easier.

Making Yourself at Home

This guide covers the essentials of everyday living in the bungalow. It explains how to stay comfortable, how the equipment works, and where to find what you need. Our goal is to make the space feel like yours.

Daily Routines

What's stocked

Linen, towels, and basic cleaning supplies are already here. We have tried to keep everything in the relevant places, so you can easily access whatever you need.

Bin days and collections

General waste and recycling are collected every other Monday, and food waste is collected every Monday. Just check the fridge calendar to see which bins go out each week.

If you can't find something

Ask us. There is no such thing as a silly question and we would much rather tell you than you spend your holiday searching.

Mobility & Equipment

What's here

The bungalow's accessibility kit is here to be used! This includes the profiling bed, standing aid, the ceiling track hoist, the level-access shower with chair, and the grab rails.

Arranged for you

The equipment in the bungalow was set up around the needs you shared with us when you booked, so everything's ready and waiting for your arrival. We hope it allows you to rest, relax, and feel at home.

If something feels off...

Let us know straight away if anything feels loose, faulty, or just not quite right. We will sort it quickly. Please use everything for its intended purpose: that is what keeps it safe and working well for everyone.

Comfort & Controls

Heating and comfort

The heating controls are within easy reach, including from a seated position, so you can set the temperature to suit you without a stretch or a struggle. Adjust it up or down whenever you like. If you'd like extra blankets for a cosier evening, or a fan to keep cool on warmer nights, just let us know and we'll bring some round.

If something doesn't respond

Give us a ring and we will talk you through it. Nothing is too complicated and we would hate for you to be uncomfortable!

Using the Bathroom

**Please only flush
toilet paper.**

Our plumbing is 'retro'...and can block easily!
Wipes, even flushable ones, sanitary products, continence products, and nappies should go in the bathroom bin. If a bin bag is full, please tie it and put it in the outside bin.

Thank you for helping us look after the place!

Our House Rules

1. Dogs Are Welcome

We love dogs! Just let us know in advance if you plan to bring one, so we can carry out a risk assessment and confirm suitability. Assistance dogs are always welcome under the same guidelines. During your stay, please keep your dog under control, and give the garden a quick tidy before you check out.

2. No Smoking or Vaping

We ask that smoking and vaping happen outside only. To stop smoke drifting into the bungalow, please keep windows closed while you smoke, and dispose of cigarette ends safely and responsibly so the area stays tidy and comfortable for everyone.

3. Be Volume Aware

Out of respect for our neighbours, please keep noise levels low between 10pm and 8am. We've asked the seagulls to do the same, but they're yet to sign the agreement!

4. Maximum 5 Guests

Please stay within the agreed guest capacity of five. It keeps the bungalow comfortable, and it's what our safety checks are based on.

5. Report Any Damages

Accidents happen, and honestly, we'd always rather know! If anything gets accidentally damaged, or you notice something that feels loose or faulty, please tell us right away so we can sort it before it affects your stay or the next guest's.

6. Keep Walkways Clear

Please keep walkways and doorways clear of bags and clutter, so the bungalow stays safe and accessible for everyone. You're very welcome to use any accessibility equipment provided, just follow the instructions so it stays safe for you and future guests.

Thank You

Extra Services

We want your time with us to be as smooth and relaxing as possible. These additional options are available upon request and are subject to availability. The more notice you can give us, the more we can do to support you.

Linen, Towels, and Top-Ups

The property is professionally cleaned before every stay, so you'll arrive to a fresh space set up for your needs. For longer bookings, we can arrange a mid-stay clean or provide fresh linen, just let us know in advance.

When you leave, we don't expect a deep clean, just a few small courtesies to help the next guests settle in: please put the bins out on collection day, leave used towels in the bathroom, and let us know about any broken items.

Arrival Assistance

Flexible check-in and out

If travel is a bit tricky, let us know. Standard check-in is from 3pm and check-out is by 11am, but we know that doesn't suit everyone. If you need to arrive earlier or leave later for accessibility, care, or travel reasons, call our Restwell Team on 01622 809881 or email hello@restwellretreats.co.uk with your preferred times. We can't always promise changes, but we'll always try.

Borrow a portable ramp!

Our portable fold-up ramps are yours to use during your stay. Take them to cafés, shops, or wherever you go, just please return them to the bungalow before you check out. We want you to enjoy your holiday well beyond the house itself.

Your Wellbeing

We can help if anything feels off

If something doesn't feel right during your stay, whether it's the property, the care, or anything else, please tell us straight away. You can only relax when you feel safe. If something is wrong, we want to know so we can put it right.

Support During Your Stay

What is it?

Our sister company, Continuity of Care Services, can provide flexible, CQC-rated "Good" care during your stay. Whether you need a simple morning visit to help with dressing, specialist nurse-led support for complex needs (like hoisting or PEG feeding), or just a few hours of respite care so family members can have some time to reset, you choose the exact level of help that suits you.

Care from Continuity of Care Services is arranged separately from your Restwell accommodation. If you prefer to bring your own care team, you are very welcome. We are here to support your stay without any pressure or judgment.

Scan for the full CQC report.

What's the WiFi Login?

Pop the kettle on, settle in, and connect to the network whenever you're ready.

Network:
Russell Drive

Code:
homelyhousing0104

**If you still can't connect after two careful attempts, give us a
call on 01622 809881 and we'll talk you through it.**

Getting Around

Whitstable is well connected by car from the M2, by direct train from London, and by a frequent local bus network. Accessible taxis are available too, with a little notice. Wherever you see a code on this page, scan it with your phone camera for live directions and times.

Travel by Car

For SatNav or maps apps, input our full address, 101 Russell Drive, Whitstable, CT5 2RQ. The bungalow is the white semi-detached house with the three hanging baskets, right next to the black house. There's a designated private driveway with parking for two cars, and the driveway is level and the front door is directly accessible.

Scan the code and Google Maps will bring you straight to our door.

Travel by Train

Whitstable station has direct trains to and from London and along the Kent coast, and it's a short taxi ride from the bungalow. There's a taxi office right by the station exit, so you won't be left waiting. London is around an hour and a half away, so a day trip into the city is always an option.

Scan the code to see live departures, including platforms and any delays.

Travel by Bus

Local buses run frequently through Whitstable and along the coast, so it's an easy way to explore without the car. Routes connect the town centre, Tankerton, and the villages beyond, with the nearest stop a short walk from the bungalow. It's a cheap way to get around too, and you won't have to worry about parking in town.

Scan the code for the Stagecoach website to see live bus times and routes.

Local Foodie Favourites

Here are three nearby favourites we return to often, chosen for both their food and atmosphere. Most are in older buildings, so accessibility varies. We recommend calling ahead to confirm current arrangements.

The Plough Inn, Swalecliffe

Just around the corner is a 1930s-style roadhouse pub with separate dining and drinking areas, free parking, and a Sunday roast that's worth a return visit. From the bungalow, take the footpath between 71 and 73 Russell Drive; it brings you out with the pub on your right.

Accessibility: Step-free access to the building, but no wheelchair-accessible toilet; call venue to confirm.

📍 100 St John's Road, Swalecliffe, CT5 2RN

☎ 01227 794636

JoJo's, Tankerton

A family-run favourite on the Tankerton clifftop since 2000, serving fresh fish, slow-cooked meats, and authentic Mediterranean meze. Just a 20-minute stroll (or a short drive) west along the promenade, it offers sweeping sea views, though regularly attracts queues out the door, so be sure to book ahead.

Accessibility: Wheelchair access & accessible toilet.

📍 2 Herne Bay Road, Tankerton, CT5 2LQ

☎ 01227 274591

Marine Hotel, Tankerton

Shepherd Neame restaurant below a seaside hotel, serving modern British dishes, fresh seafood when the kitchen is at its best, and sea views that look straight out over the estuary. It's equally at home hosting a Sunday lunch or a special-occasion dinner.

Accessibility: Ground floor lounge and restaurant with step-free access. Accessible toilet by reception.

📍 32-33 Marine Parade, Tankerton, CT5 2BE

☎ 01227 272672

Things To Do, See, and Eat

Explore the best of the area with nearby adventures, scenic spots, and local flavours to help you savour every moment of your stay at Restwell Retreats. Pick a few highlights or work your way through the list; move at your own pace and linger wherever feels right.

Food & Drink

Whitstable Harbour Market

Artisan stalls line the South Quay at Whitstable Harbour, with local arts, crafts, and micro-eateries serving everything from fried fish to Thai. Great for a casual graze if you'd rather snack than sit down. Open weekends year-round, with extra days in the school holidays and summer. To check dates, call 01227 282666 or visit harbourmarketwhitstable.co.uk

South Quay, Whitstable Harbour, CT5 1AB

The Forge

A laid-back seafood shack tucked beside the harbour on the sea wall. Order at the counter, grab a spot outside, and watch the boats glide by. It's the kind of lunch you'll look back on with a smile. Counter service and outdoor seating only, all on flat ground. There is no toilet on site, but the harbour's public WC is just east of the venue.

1 Sea Wall, Whitstable, CT5 1BX

Worth a Wander

The Horsebridge Arts Centre

Whitstable's vibrant community arts venue plays host to rotating exhibitions, live music, and creative workshops. Lift access to all three floors, all gallery spaces wheelchair-accessible, an accessible toilet on the first floor, and a community café downstairs. Closed Tuesdays.

11 Horsebridge Road, Whitstable, CT5 1AF

Whitstable Boat Trips

The Venturer, an 18-metre catamaran, runs year-round boat trips. Choose from a short bay cruise, a one-hour Maunsell Sea Forts excursion, or a seal-spotting trip into The Swale. It is wheelchair accessible, but passengers should call ahead on 07383 441811 to arrange transfers and securing your chair whilst onboard.

whitstableboattrips.co.uk

Free to Enjoy

Whitstable Beach Front

Enjoy the timeless views of Whitstable, from its trademark shingle beach and pastel-painted beach huts to the long stretch of seafront facing the Thames Estuary. No ticket required.

Marine Terrace, Whitstable, CT5 1EJ

Whitstable Castle & Gardens

Ornamental gardens where you can easily spend half a day, yet feel as though only half an hour has passed. Entry is free, dogs are welcome, and accessible toilets are available in the main building.

Tower Hill, Whitstable, CT5 2BW

Further Afield

For days when you'd like to venture a little further afield, these are the larger destinations within easy reach of Restwell Retreats. Accessibility varies from place to place, so we've shared what we know to help you plan a day that suits you. However, we always recommend calling ahead for the most up-to-date advice.

01 Wildwood Trust

Wildwood is an ancient woodland wildlife park around 30 minutes from Restwell, home to red squirrels, wolves, beavers, and other native British species. The 40-acre site has mostly accessible paths for wheelchairs and mobility scooters.

Wheelchairs and mobility scooters are available to borrow on request, but it is best to book ahead by calling 01227 209621, as scooters are often reserved. Scooters cost £10 per use and have a weight limit of 21 stone.

As this is a working ancient woodland, some paths have exposed roots and may be muddy after wet weather. The only inaccessible area is the rope bridge over the bear enclosure. Disabled parking is available on-site free of charge.

Wealden Forest Park, Herne Bay CT6 7LQ

02 Dreamland Margate

Dreamland is Margate's heritage amusement park. With rides, street food, roller disco, live music and art installations, it's easy to spend a day here. The park is wheelchair accessible, with accessible toilets throughout, though wheelchair hire is not available.

For an Essential Companion Wristband, apply through Nimbus Disability at least 7 days before your visit at dreamland.co.uk/accessibility-disability. If you already have a valid Nimbus Access Card with a +1 or +2 symbol, present it at the Main Token Booth on the day.

Accessible parking at Arlington Car Park is around 400m from the entrance, for a daily rate of £10.

Marine Terrace, Margate CT9 1XJ

03 Canterbury Town

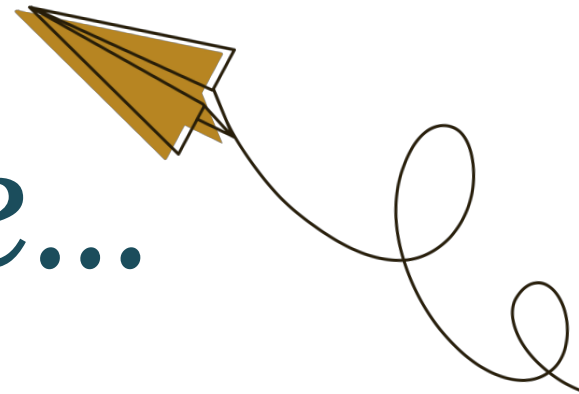

Just 20 minutes away, Canterbury Cathedral is a full day out. Its Welcome Centre holds free wheelchairs, with mostly step-free access throughout the Cathedral. Disabled parking by prior arrangement: 01227 762862.

For the city, Shopmobility on Gravel Walk hires electric scooters, powered and manual wheelchairs. Open Wednesday to Friday 10am–4pm, Saturday 9.30am–4pm. Call 01227 459889 to book ahead.

Parts of the city centre and the Cathedral approach are cobbled, though the riverside paths and Westgate Gardens are smoother routes.

Cathedral House, Canterbury CT1 2EH

Before You Head Home...

There's no need to strip the bed or scrub anything – our cleaning team take good care of those jobs. Just a handful of small things to leave the bungalow happy for its next guests, so you can set off without that nagging "did we...?" feeling halfway home.

- ☐ Leave used towels in the bathroom.
- ☐ Close the windows.
- ☐ Pop the bins out if it's a collection day.
- ☐ Switch off lights, heating, & any appliances.
- ☐ Lock up and drop the key back in the safe.

That's everything, thank you for treating Restwell with such care.
Travel safe, and we hope to welcome you back soon!

01622 809881 | hello@restwellretreats.co.uk | www.restwellretreats.co.uk
